The Twentieth Annual Meeting

April 29 – May 2, 2010

Durham, North Carolina

Dear Colleagues,

The Society of Black Academic Surgeons (SBAS) and Duke Surgery welcome you to Durham, North Carolina also known as the “City of Medicine.” In keeping with the fine traditions of SBAS, we have planned an academic program and have scheduled many social activities which we hope you will enjoy. As regards to the latter, it is our hope that you will familiarize, or reacquaint, yourself with some of the best that Durham and Duke have to offer. We can assure you that you will not be disappointed with the amenities offered by the Washington Duke Inn & Golf Club, a wonderful full-service hotel with upscale amenities.

Please take a few minutes to review the program and the featured speakers – all of whom are noted experts in their respective fields of interest.

Sincerely yours,
